Public Library Report

LIBRARIAN'S REPORT

Fot the benefit of those who do not know how the books are chosen for the library, I submit the following information. There is a committee of five who, with the librarian, meet once a month. Lists of new books and requests from the public are discussed. After the books are received, carefully selected readers are given the fiction and written opinions are presented by them. We aim to purchase the most important books of the year and at the same time obtain diversified literature for all readers.

Circulation dropped this past year, but this is not surprising, considering the War. Many of our borrowers have either entered the Service, or have other duties to perform.

Since March, 1944, we have held twelve story hours for the children. Miss Helen Clark, dressed in Chinese costume, gave an extremely interesting talk during China Book Week. At the same time she loaned some very attractive articles from China which were on exhibit in the Reference Room. In May Dr. Oscar B. Gilbert told the young people how to obtain a well-balanced collection of postage stamps and showed some of his albums. By popular request he returned in January to display his stamps. A play and musical program were presented by the children for Hallow'een. This was most successful, as over two hundred attended the performance.

For Children's Book Week Miss Barbara Hall from Houghton Mifflin gave an excellent lecture on the making of a book. We are indebted to Mrs. Paul Molloy for securing the speaker. The other story hours were ably taken care of by Miss Eva Patridge, who has charge of the juvenile room.

The Exeter Historical Society placed two exhibits in their show-case; one on shells from the Orient, owned by Mrs. A. T. Dudley and another on various articles from their archives. Portraits and signatures of well-known authors, loaned by Mrs. Elbridge Stoneham, were on display for one month.

With the cooperation of the teachers of the junior high classes, a simple course in the use of the library was introduced in those grades. After instructions in their classes the pupils came to the library in the morning and were shown through the building by the librarian and Miss Patridge. It is hoped that a better understanding of how to use the library will be the result. The librarian wishes to thank the teachers for their fine assistance.

Respectfully submitted,

HARRIETTE M. PIRNIE,

Librarian.

Robinson Female Seminary

PRINCIPAL'S REPORT

To the Board of Trustees of Robinson Seminary:

As a report for the year ending January 31, 1945, the writer submits the following:

Registration to January 31, 1945

Junior High	95
Senior High	191
Total	286
Number of discharges to date	10
Present enrollment	276
Total enrollment in 1943-44	279

Number of Tuition Pupils

Junior High	37
Senior High	29
Total	66
Total for 1943-44	78

Changes of Personnel

Miss Elsie Adams replaced Mrs. Lawrence Adams as teacher of English; but, on account of sickness, had to resign the last of November. Mrs. Lawrence Adams was kind enough to return until January 29th, when *Mrs. Mary G. Hoitt* could be secured.

Miss Adelaide Coombs replaced Miss Maple Percival as teacher of History and Civics.

Miss Elsie Freethy replaced Mrs. Lena Sargent as teacher of the Commercial Subjects.

Miss Elizabeth Hagar replaced Mrs. Marguerite Johnson as teacher of Music.

Mrs. Carl Johnson replaced Miss Barbara Gullberg as teacher of Geography, Latin, and English.

Medical Inspection

Girls who feel sick during school may lie down in the dressing room, or have the privilege of going home. First Aid is given in the office. Anyone requiring special attention is looked after by Miss McQuade or by Dr. Gilbert. In addition to their work with individuals, Miss McQuade has weighed and measured the pupils, and tested their eyesight and hearing, and Dr. Gilbert has given them a general examination.

Physical Education

Physical Education is out of doors whenever possible. The extensive grounds are used for hockey, soccer, basketball, and soft ball. In the assembly hall are held ping-pong and badminton tournaments, and the exercise drills and dances that are practiced during the winter months. The Gymnastic Exhibition in March is looked forward to by pupils, teachers, and the general public. The eight basketball games played by the varsity in the High School gymnasium or away from home are keenly watched.

Stamps and Bonds

The Class of 1944 gave the school a bond for a graduation present.

This is the third school year in which the Seminary has sold Stamps and Bonds. The average amount purchased each week is about $200.00, and the percent of the School is usually 93. Between September and January, the Eighth Grade, the Juniors, and the Faculty had 100%. The Minute-Man flag flies constantly to show that Robinson Seminary is helping the country.

Art

The Seventh and the Eighth Grades have classes in design, combined with the study and the use of color. Illustration, lettering, and perspective bring in the use of such mediums as water color, crayons, pen and ink, and poster paints. The Eighth Grade is having Art Appreciation and is taking up the history of painting from the Italian Renaissance to modern times. The enrollment in the drawing classes for the older girls has doubled, and they are working with pastels, oil paints, water color, charcoal, frescol, pen and ink, and poster paints. The Seminary is experimenting this year by having one definite period a week open for any girls in the four upper classes who like to draw, but have no time in their study schedule for art. During this period the art room has been filled, and there are many names on the waiting list.

Music

The Seminary has choral work for the Seventh Grade, choral work and music appreciation for the Eighth Grade, and elementary harmony and music history in the upper classes. A victrola and some fine records have been bought for the music appreciation groups. There is a glee club, an orchestra, and a band. The glee club and the orchestra provide music for school events including graduation exercises. At the Christmas assembly, a cantata was given by the glee club under Miss Hagar's skillful direction. Class instruction in brass is given by Mr. Firth, in woodwind by Mr. Cella, in percussion by Mr. Ramsdell, in piano by Mrs. Robert J. Kreger, and in violin by Mr. Kobialka.

Academic Course

Some seniors taking the Academic Course have in mind definite colleges like the University of New Hampshire, the University of Vermont, Boston University, and Simmons. Others, partly because of war conditions, feel that they should become nurses.

Commercial Course

All the graduates of last year's Commercial Course have secured positions.

The present Juniors number twenty-one, the present Seniors, seven. The Seniors are gaining valuable experience by doing part time work after school, and by special projects during class periods. They especially enjoyed making the programs for the Senior play.

Home Economics Course

The girls in the 3 B Textiles Class, accompanied by Mrs. Harold W. Smith, made an interesting and instructive trip to the Exeter Manufacturing Company, to study the different processes used with cotton.

For the first time in more than thirty years, the Home Economics Department is serving no hot lunch. This is especially unfortunate during these days when it is so essential for children to be physically fit, but the present schedule with a short recess cannot allow a sufficient interval for it.

Plays

It is now the custom for the Juniors to give two short plays at the beginning of their spring dance.

The Seniors, with a cast of ten girls and six High School boys, presented "The Charm School" by Alice Duer Miller, on December seventh and eighth, at the Town Hall. Mrs. Cobb, the adviser of the Senior girls, coached the play, and was ably assisted by Mrs. Blunt. Miss Bedard, of the High School faculty, had charge of the finances. The play was well attended on both evenings. The total receipts were $407.05, and the expenses were $176.80, so $230.25 was divided between the Seniors of the Seminary and of the High School. Miss Hagar arranged for the music between the scenes and the acts, and accompanied the performers.

Note to Parents

Even in these days when parents are very busy, constant co-operation between them and the teachers is necessary for the good of the children. When parents wish to discuss any topic with the teachers, they are most welcome at the Seminary; if they have no time to come to school, we are glad to hear from them by telephone, or by letter. The teachers need help from the parents especially in three respects. If the parents will see that the girls are up in time to have a good breakfast, and that they take a well-balanced lunch, perhaps adding to it the milk that can be bought at school—if the parents will have the girls attend school regularly except when the girls are sick—and if the parents will make sure that the girls, whenever they fail to understand any subject, get help from the teachers at the close of school, or between 2:30 and 3:30, the only times that the teachers can give extra help during the present one-session, the parents will soon have the satisfaction of seeing for themselves that they have materially raised the standard of their children's education.

Respectfully submitted,

BESSIE H. JAQUES,

Acting Principal.
